It All Starts With A vision

***“My Vision & Mission:
Complete fitness solution”***

We, at Avision Fitness understand that business is built around strong relationships.

Our company combines the industry experience of professionals who have come together to give the best-focused equipment range to suit any requirement.

A serious workout demands serious equipment.

Avision Fitness is an Importer of Fitness equipment in India under the brand name **AVISION FITNESS**. Specializes in offering equipment that is specific and a joy for the fitness professional. We supply wet Area Equipment (e.g. Steam Bath, Sauna Bath, Jacuzzi, Chilled Shower, Shower Cubical etc) under the popular brand name **AVISION FITNESS**.

We have expert engineers trained by Sports Art, Techno gym, Nautilus, Life fitness, Precor and Star Trac, providing Service Contracts to all possible brands.

The company manufactures fitness equipment, commissions them at the client's place, trains its staff in handling the equipment and undertakes management of the set up if required thus becoming one stop shop for your fitness requirements.

We cover a wide spectrum of fitness seeking segments. Our esteemed client list ranges from major corporate houses, Hotels and Resorts, Sports and Recreation Clubs, Banks and Housing Societies, professionally managed Gymnasiums and Health Clubs to satisfied individuals spread across the country.

Avision Fitness does not offer a second best.

You Can Feel The Difference.

We back our passion with the best warranty in the industry, and with customer service, that is second to none:

- Our equipment line is extensive.
- Our support services are comprehensive.
- Our professionals have experience and information to offer with no strings attached.

A road to wellness at Avision Fitness for body and soul

LED Touch Screen

X8400A AC Motorised Treadmill

X8400 - To make the product more suitable for the needs of users, DHZ Fitness has never stopped optimizing and updating the product. Larger console, Optional android system display, optimized handrail, etc. Despite the upgraded equipment providing stable and easy-to use cardio equipment at an attractive price remains out core purpose.

PRODUCT HIGHLIGHTS

1 Quick Start

X9107 Upright Cycle

X9107 Among the many bike in DHZ Cardio Series, the X9107 Upright Bike is the closest to the actual riding experience of users on the road. The three-in-one handlebar offers customers to select three riding modes: Standard, City, and Race. User can choose their favorite way to effectively train the muscles of the legs and gluteal.

PRODUCT HIGHLIGHTS

1 Three Riding Modes

In addition to the standard bike and city bike, there are additional elbow pads for the racing bike mode so that the exerciser can better stabilize the upper body.

2 Upgrade Saddle

Focus on riding. The thickened and widened saddle provides effective riding cushioning and experiences for various practitioners.

3 Correct Stance

The close integration of pedals and cranks not only provides a realistic riding experience, but also helps exercisers correct inaccurate pedaling position.

PRODUCT SPECIFICATIONS

Dimension (L*W*H) :	1190*600*1370mm
Resistance Level :	20
Brake System :	Magnetic
Colour :	Black, Silver
Weight :	72kg

X9109 Recumbent Cycle

X9109 . The open design of X9109 Recumbent Bike allows easy from left or right , the handlebar and ergonomic seat and backrest are all designed for the user to ride comfortably. In addition to the basic monitoring data on the console, user can also adjust the resistance level through the quick selection button or manually button

PRODUCT HIGHLIGHTS

1 Lesisuree Sport

Different from other cardio equipment, the Recumbent Bike combines mechanical motion with the natural human body, making the training more comfortable and experience better.

2 Comfort Ridding

Through the adjustment lever under the seat, allowing the customer to quickly adjust without leaving the seat, helping the customer to find the correct and comfortable riding position.

3 Pedal

The widened pedal can comfortably accommodate feet of various sizes and has an integrated adjustable strap to ensure the correct pedaling pattern

PRODUCT SPECIFICATIONS

Dimension (L*W*H) :	1630*610*1300mm
Resistance Level :	20
Brake System :	Magnetic
Colour :	Black, Silver
Weight :	100kg

S300 Spin Cycle

S300- One of the most representative products of DHZ indoor Cycling Bike. The Design adopts an ergonomic handlebar with grip option, which can store two drinks bottles. The resistance system adopts an adjustable magnetic braking System. The height adjustable handlebars and saddles adapt to users of different sizes, and the saddles are designed to be horizontally adjustable (with quick) release device) to provide the best riding comfort. Double-sided pedal with to e holder and optional SPD adapter.

PRODUCT HIGHLIGHTS

1 Ergonomic Handle

The ergonomic handle with multiple positions of grip, which provides stable and comfortable support for different riding modes.

2 Magnetic Resistance

Compared with traditional brake pads, it is more durable and has more uniform magnetic resistance. Provides clear resistance levels to allow users to exercise more scientifically and effectively with low exercise noise.

3 Easy to Move

The angled wheel position allows users to easily move the bike without affecting the stability of the device during the exercise.

PRODUCT SPECIFICATIONS

Dimension (L*W*H) :	1260*500*1000mm
Brake System :	Magnetic
Flywheel :	4kg Aluminium

Dimension: 1285*1055*1530 mm
Weight: 250 kg
Weight Stack: Standard: 110 kg
Heavy: 135 kg

Long Pull / E7033-G01

Dimension: 1780*1320*1830 mm
Weight: 262 kg
Weight Stack: Standard: 110 kg
Heavy: 135 kg

Vertical Row / E7034

Dimension: 1505*1005*1530 mm
Weight: 256 kg
Weight Stack: Standard: 110 kg
Heavy: 135 kg

Pull Down / E7035

Dimension: 1520*1445*1795 mm
Weight: 265 kg
Weight Stack: Standard: 110 kg
Heavy: 135 kg

Abdominal Isolator / E7073

Dimension: 1150*1060*1575 mm
Weight: 229 kg
Weight Stack: Standard: 110 kg
Heavy: 135 kg

BENCHES & RACKS

BENCHES & RACKS

FLAT BENCH U3036

Dimension: 135 x 76 x 43 cm
Product Weight: 26 kg

ADJUSTABLE DECLINE BENCH U3037

Dimension: 162 x 76 x 81 cm
Product Weight: 54 kg

OLYMPIC DECLINE BENCH U3041
